Jeeze...

January check was at the office when you met the Board and we forgot to

give it to you so it should have been mailed.

I'll initiate February retainer tomorrow (or Wednesday). I have a complication: just came home from hospital tonight. Emergency appendectomy last night. I think I can go into the office tomorrow.

Sorry about the delay, Jeff. It will be corrected promptly.

(Please reply with your mailing address just to help me do this quickly.)

For your records.

Please note that I have not received payment for January or February, and the next payment is due March 19 per the engagement agreement.
